HR: Yeah.

UCE: Oh, that sucks.

UCE: Hey now.

HR: (Laughs)

UCE: Hey, uh. I just wanted to let you know uh, I'm looking at like uh, Tuesday I'll be in town if you want to get together. I'll, I'll holler at you.

HR: Okay.

UCE: Hey and on the other, uh, I, I was thinking, uh, cause I kind of, I like really, I'm looking at like within a week or so, it's gonna happen for me to get to Wichita.

HR: Yeah.

UCE: But uh, I, I can, I can even follow whoever and uh, usually I pay like, you know, forty five hundred dollars for a trip like that. But it'd be, I'd be more for somebody that I'd be confident wouldn't get stopped.

HR: Yeah, man. I just don't uh, know anybody that's in that game right now. Man, I did, but back in the day. But uh, I don't know of anybody that's, that I would trust.

UCE: Yeah.

HR: I got three or four that, you know, would love to but I don't trust them.

UCE: Ah, no not have, uh, uh. I trust, I need the, to trust them, like you say. So.

HR: Yeah. All right.

UCE: All right, bro.

HR: Yeah, there's uh, you know like I said, back, back in the day I had a, a list of people that were, that, that, that were in the game but uh, now ones that I know that are still out there playing, and they'd be more likely to get stopped than not.

UCE: (Laughs)

HR: (Laughs)

UCE: Well cool. Well you want me to give you a holler, or what?

HR: Yeah. Just give me a holler. When you get, or, or are you in, in town now?

UCE: No, no, no, no.

HR: Oh.

UCE: No, I won't be in town till earliest tomorrow. But I'll be finishing up on Tuesday probably. Getting out of there, but I'd like to see you, whatever, to just keep up.

HR: Okay. All right. Just, uh, give me a shout when you get, get this way.

UCE: All right.

HR: All right. Thanks for calling me.

UCE: All right man. Bye.

HR: All right, bye.
